New Position to Begin	

#### Details

The Department of Biology at the University of Utah invites applications for a tenure-track faculty position at the Assistant or Associate Professor level in Cell Biology. We are seeking applicants addressing fundamental questions in cell biology using model and non-model organisms from all taxa. In addition to developing a vigorous independent research program, the successful candidate will be expected to contribute to the Department's interdisciplinary teaching mission at the undergraduate and graduate levels. Please visit <http://www.biology.utah.edu/> for an overview of the department. The University of Utah provides exceptional opportunities for collaboration in research, education and outreach across departments in several colleges.

Please be sure to attach a cover letter, curriculum vitae, up to four publications, description of current and future research interests, statement of teaching interests, and the names and e-mail addresses of three references. Letters of reference should be submitted via this system or by post to the Cellular Biology Search Committee, Department of Biology, University of Utah, 257 South 1400 East, Salt Lake City, UT 84112-0840, USA.

#### EEO/Diversity Information
