Applicant Checklist (Include this page with your application)

Name: ___________________________ U of U ID#: ________________________

Eligibility Requirements for All Biology Scholarship Applicants:

☐ I am a US Citizen or Permanent Resident (Green Card) - may apply for scholarships 1-5
   If not, you are still eligible to apply for Scholarships 3, 4, and 5 if you
   ☐ graduated from a High School in Utah.

☐ Declared Biology Major at the University of Utah

☐ Working towards a 1st Bachelors Degree

☐ Taking 12 or more graded credit hours per semester of the 2016-17 academic year

☐ Minimum GPA of 3.0 unless otherwise stated

List of Application Materials:

☐ Department of Biology Scholarship Application Form and Applicant Checklist

☐ Personal Statement of 1-2 pages discussing the history and development of your interest in
   science, what you hope to gain from your Biology education, and your career plans. Please
   include any research experience you might have.

☐ College Transcripts (unofficial) including transfer summary if applicable.

☐ 1 Letter of Recommendation from a University faculty member familiar with your academic
   performance or laboratory skills. A Biology instructor is preferred.

☐ Additional requirements as specified by individual scholarships

I am applying for and am eligible for the following scholarships:

1. ☐ Continuing Student Departmental Scholarship
   Applicant must have completed at least 30 credits at the University of Utah, and be a UT
   resident (for purposes of tuition).
   Minimum GPA of 3.5.

2. ☐ BioSAC Book Scholarship

3. ☐ Stephen Durrant Scholarship
   Include a 2nd letter of recommendation. One of your letters must be from a Biology Dept.
   faculty member, a course TA, a postdoc, or a graduate student in a research lab.

4. ☐ Flowers Botany Scholarship
   a. Include a separate and brief (no more than 1-page) narrative letter detailing the
      nature of the research project, and the proposed use of the funds
   b. The request should also be accompanied by a supporting letter from the research
      advisor.

5. ☐ Thomas S. Frank Memorial Scholarship
   Include a separate description of your research in genetics as well as your strong history
   of involvement in artistic or creative pursuits such as writing, composing (or other
   musical achievement), painting (or other visual art), or film-making.
