

STATE OF WYOMING

invites applications for the position of:

ATTP99-04135-Biologist Technician-Non-game-Up to 5 Positions-Lander

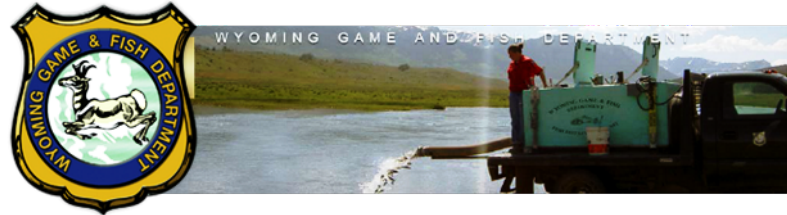

SALARY: \$14.82 - \$14.82 Hourly

LOCATION: Lander

OPENING DATE: 02/22/16

CLOSING DATE: Continuous

DESCRIPTION AND FUNCTIONS:

OPEN UNTIL FILLED

GENERAL DESCRIPTION:

This announcement will hire up to 5 technicians for several projects. Projects focus on a diverse group of species including 1) grassland birds, 2) prairie dogs and black-footed ferrets 3) bats, 4) water voles, and 5) juniper obligate birds and mammals.

ESSENTIAL FUNCTIONS: The listed functions are illustrative only and are not intended to describe every function which may be performed in the job level.

- Work closely on a team to survey for non-game birds and mammals in Wyoming.
- Will use a variety of sampling techniques (visual encounter surveys, auditory surveys, small mammal trapping, driving transects, remote camera surveys, etc.) to survey for non-game birds and mammals.

QUALIFICATIONS:

PREFERENCES/AGENCY REQUIREMENTS:**

Preference will be given to those with a high school degree plus 2 years of experience in fish and wildlife resource management, research, or habitat development or 2 years of college course work towards a baccalaureate degree in wildlife management, or another closely related field.

**Agency requires that the successful applicant have a valid driver's license.

KNOWLEDGE:

- Experience / interest in working in the field, conducting surveys, and collecting field data.
- Ability to work well in close quarters with field crew for extended periods of time.
- Must have a flexible schedule and be able to work long hours and different times and days (including weekends and nights, as needed) on short notice.
- Must have a positive attitude, strong work ethic, and be able to work well with others.
- Must be reliable, in good physical condition, have great communication skills, and be able to work independently and in remote locations.
- Must pay close attention to detail.
- Must be able to follow established protocols and direction from project biologists.

- Ability to work in inclement weather.
- Must have a valid driver's license.
- Must be able to spend long periods of time in a vehicle and in the field.
- Experience using hand-held GPS for navigation and/or data collection.
- Ability to operate a 4WD vehicle, on or off road.
- Experience pulling campers, trailers, etc. preferable.

MINIMUM QUALIFICATIONS:

None - See "Preferences"

NECESSARY SPECIAL REQUIREMENTS:

PHYSICAL WORKING CONDITIONS:

Will work and camp in the field for up to 10 days at a time.

Will work a variable schedule (including long hours, weekends, and nights, as needed) that may change with little notice.

Extensive travel across the state is required.

NOTES:

- FLSA: Non-exempt
- Positions will last from approximately April 2016 through September 2016.
- Necessary field equipment will be provided.
- Housing in Lander will not be provided.
- Employee may be asked to utilize hotels while performing field work.

- This will involve paying for hotel room at time of use and receiving reimbursement later.
- Cover Letter: Applicants need to attach a cover letter explaining career plans, suitability for the job, dates of availability, and project interested in (grassland birds, prairie dogs and black-footed ferrets, bats, water voles, or juniper obligate birds and mammals). Cover letter may be submitted with the online application or emailed directly to Zack Walker, Statewide Non-game Bird and Mammal Program Supervisor, 260 Buena Vista, Lander, WY 82520.
- Contact: For more information regarding a specific project or position, contact Zack Walker at zack.walker@wyo.gov or [307-332-2688](tel:307-332-2688).
