Summer Job Opportunity – Mosquito Control

\$12/hr, Mon-Fri, No Weekends

Get paid to work outdoors, acquire new skills, learn about biology and public health while making an impact in the quality of life in the Salt Lake City area.

Responsibilities: Inspecting for and treating areas containing mosquito larvae; sampling of mosquitoes from various habitats; tracking daily activities and entering data using handheld GPS equipment. Possible work opportunities include - working on ATV's, being part of a bicycle team, surveying trees for sources of mosquitoes, delivering mosquito-eating fish to SLC residents, working in a laboratory identifying mosquitoes, and trapping mosquitoes.

Time Commitment: 40 hours per week, Mon-Fri, 7:00 am to 3:30 pm, **no weekends or evenings required**, flexible start and ending dates ranging from late April to August 31, with potential to extend further.

Benefits: \$12.00 an hour; opportunity to make more money with optional overtime; on the job training; potential for additional summers of employment.

Required skills and abilities: Good interpersonal skills and communication ability; ability to be at work on time; valid Utah driver's license with a good driving record; able to work as part of a team and work independently, must be physically able to carry a backpack with a 4-gallon load while walking over uneven terrain.

Beneficial Skills: Likes to work outdoors; capability to learn to operate all-terrain vehicles.

About Us: The Salt Lake City Mosquito Abatement District (SLCMAD) is a local governmental entity serving the citizens of Salt Lake City. The mission of the SLCMAD is the enhancement of health and quality of life through the suppression of mosquito transmitted diseases and the reduction of nuisance levels caused by biting mosquitoes.

How to Apply: For application and more information about SLCMAD go to <http://www.slcmad.org/employment.html>. Send completed applications to Greg White (greg@slcmad.org).
