TRANSFER NOTES

- (1) Lower-division courses on this row will satisfy program requirements for corresponding upper-division courses, but will not count toward the number of upper-division credits needed for the bachelor degree.
- (2) MICR 2054 at WSU satisfies biology major requirements in microbiology at USU, SUU, UVU, DSU, and Snow only but does not count toward the number of upper division credits needed for the bachelor degree. NOTE: WSU also offers MICRO 2051, a stand alone Microbiology lab for transfer students.
